

SPECIFICATION SHEET

Doc ID: FR-02-05-71

Ver:01

Date: 12 June, 2019

PRODUCT DESCRIPTION

Saffron infilament (Pushal)

VARIETIES

Crocus Sativus L.

COUNTRY OF ORIGIN

Iran

CERTIFICATION

EU Organic Certified by KIWA BCS

PRODUCT DESCRIPTION

Pushal is not cut like Negin and therefore contains more yellow parts from the style of the plant and higher floral waste. Widely used in food and beverages, cosmetic and perfumes industries and it has superb coloring strength.
