

SPECIFICATION SHEET

Doc ID: FR-02-05-58

Ver:01

Date: 10 June, 2019

PRODUCT DESCRIPTION

Sultanu Raisins

VARIETIES

Vitis Vinifera (sultanina)

COUNTRY OF ORIGIN

Iran

CERTIFICATION

EU Organic Certified by KIWA BCS

PRODUCT DESCRIPTION

Sultana raisins are made from seedless grapes of the Vitis Vinefera. After being double washed, they will be dried then coated with vegetable oil (according to customer's order), de-stemmed and mechanically cleaned, laser and hand sorted. Sultanas are very sweet and similar in flavor to honey. They are widely used in traditional cakes, breads, and biscuits. They are also used in cereal products and dairy industry. In addition, they are an acceptable snack for vegetarians and vegans.
